The background of the entire page is a light cream color, decorated with several sprigs of dark green, elongated leaves scattered around the central text. The leaves are positioned at the top, bottom, and sides, creating a natural, organic frame.

# PRODUCT CATALOGUE

*Blending nature  
with science*

## We are passionate about a natural and holistic approach to every individual's well-being

### Going back to nature

We believe that in order to **achieve a higher quality of life, we must go back to nature**. Our health solutions contain scientifically validated natural substances of the highest quality. They **nurture our bodies and spirits**, while also helping us prevent illness.

**Sensilab understands that everyone is unique.** We're all at different stages of life and have very diverse lifestyles, which is why we believe taking an individual approach to our customers is crucial. By offering a large variety of products, we provide complete and customized solutions for helping our customers find an inner balance and improve their lifestyles.

### Nature & science working together

**Our products contain safe and effective natural compounds**, processed under strict pharmaceutical standards. Nature provides highly efficient solutions to most of the challenges we face. Some **plants possess unique properties that make them unbelievably resilient**. This is where we come in, adapting these remarkable substances for our bodies to utilize to their full potential.

# Our production process leaves nothing to chance

We keep up with **the latest trends, findings**, and **studies in biochemistry, supplements**, and **nutrition**. This helps us identify the best possible natural compounds for the body's specific requirements.

From a **range of natural compounds**, we select those that exhibit the **highest potency and absorption potential**. This helps us finalize the content of our products.

We purchase materials from **reliable and traceable suppliers**, who must keep **certificates proving the quality and integrity** of the raw materials.

We **additionally test all of our raw materials** in an independent lab, performing trace metal analysis and microbiological tests.

We manufacture our products in **modern pharmaceutical plants**, in compliance with pharmaceutical food safety management systems **GMP** and **HACCP**, as well as **strict EU standards**.

Before launching our final products on the market, we test and analyze them thoroughly. This ensures that everything that comes into our customers' hands is flawless. **Each product series comes with purity** (absence of trace and heavy metals) **and microbiological integrity guarantees**.

All our products are manufactured in accordance with **strict standards** applying to the production of pharmaceuticals (**GMP**) and dietary supplements (**HACCP**).

We monitor and ensure the **quality of our products**. Each product series comes with a **purity and microbiological integrity guarantee**.

All our health and nutritional supplements are developed by **in-house experts** from the Scientific and Nutritional Supplementation R&D.

We utilize **natural ingredients** that are **scientifically proven to work**, making our products as convenient to use as possible.

Most of our products are **gluten free**. They are all marked with this sign on the packaging.

Most of our products are **lactose free**. They are all marked with this sign on the packaging.

All of our product are **GMO free**. They are all marked with this sign on the packaging.

We use cellulose capsules of **non-animal origin**. Such products are marked with this sign on the packaging.

# Hepafar fibers

Eliminate toxins, once and for all

Contains a unique synergistic formula of natural ingredients: **acacia gum** is a natural source of soluble fiber, contains minimum 90% fiber, **chicory** stimulates the secretion of bile and contains inulin, which promotes healthy digestion and ultimately flushes toxins from the body, **rosemary** increases blood circulation, further helping out the liver and **lemon juice** that is naturally high in citric acid that stimulates digestive juices. Water-soluble fibers in Hepafar Fibers play a key role in the detox process by: binding toxins, supporting overall digestion, acting as a prebiotic and preventing the proliferation of pathogenic bacteria.

## ACTIVE INGREDIENTS IN 1 SACHET:

Fibregum™ [acacia gum with 90% soluble dietary fiber] 7100 mg, lemon juice concentrate powder 100 mg, chicory inulin with 88% soluble dietary fiber 1000 mg, rosemary leaf extract with 5-7% rosmarinic acid 500 mg.

## ADVANTAGES

- + Only one drink daily,
- + high fiber content,
- + does not cause bloating and flatulence,
- + 100% natural ingredients,
- + with a refreshing natural lemon flavour.

**USE:** Recommended daily intake: 1 sachet, dissolved in a glass of water, preferably in the morning.

**PACKAGING:** 15 sachets

# Hepafar forte

10 times more effective liver detox

Contains **HEPAforte complex™** with five key ingredients to support your liver: **milk thistle** (Silybin extract) binds and flushes toxins excreted by the liver, **phospholipids** (from soy lecithin) act like microscopic oil caps, improving the bioavailability of the thistle extract by a factor of 10, **artichoke** facilitates the detox process, **black pepper** improves the bioavailability of the natural ingredients by 15% and **vitamin E** protects liver cells from the oxidative stress. Due to its top formula of powerful ingredients, Hepafar forte packs a triple synergistic effect: detoxes, regenerates and strengthens your liver.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

HEPAforte complex™ (artichoke extract, silybin-phosphatidylcholine complex, vitamin E and black pepper) 918 mg (vitamin E 48 mg - 400% NRV).

## ADVANTAGES

- + The most effective product for liver detoxification,
- + revolutionary patented combination of milk thistle and phospholipids (10x stronger effect),
- + 3 in 1 action: detoxes, regenerates and strengthens your liver,
- + 100% natural ingredients,
- + suitable for vegetarians (contains cellulose capsules).

**USE:** Recommended daily intake: 1 capsule in the morning and 1 capsule in the evening with a glass of water after a meal.

**PACKAGING:** 30 capsules

# Hepafar Liver Cleanse tea

Daily detox tea for your liver

Flush out toxins and kick-start your liver detox with cleansing herbal tea! A safe and gentle 100% herbal blend supporting your liver, kidneys and digestion. **Milk thistle** – the most researched liver detox plant, **green tea** – boosts metabolism and helps control body weight, **burdock root** – helps control normal blood sugar levels and appetite and **dandelion** – traditional diuretic and purifying remedy. Purify your body and get rid of harmful toxins the natural way!

## ACTIVE INGREDIENTS:

milk thistle fruit 40%, green tea leaves 30%, burdock root 15%, dandelion root 15%.

## ADVANTAGES

- + Natural herbal tea blend,
- + supports liver regeneration,
- + cleanses your body of toxins,
- + boosts your metabolism and fat burning,
- + revitalises you and ups your energy levels.

**USE:** Pour fresh hot water (70-80°C) over the tea bag and steep for 10-15 minutes.

We recommend using one tea bag per cup.

**PACKAGING:** 20 tea bags

# FlexiForce forte

The revolutionary 3-in-1 joint solution

Each capsule contains: **native collagen type II** – a natural substance that can improve joint flexibility by 61.5%; **omega-3 rich fish oil** – rich in EPA and DHA, reducing joint pain and morning stiffness; **5 key vitamins & minerals** – copper, manganese and vitamins C, D & K2, contributing to joint health and improving joint flexibility to let you enjoy your favorite activities every day.

## ADVANTAGES

- + 3 products in 1 (native collagen type II + omega 3 + vitamins & minerals),
- + 61.5% better joint flexibility – scientifically proven,
- + 800 mg of high-quality fish oil rich in omega 3 fatty acids,
- + DUOCAP® technology (patented capsule-in-capsule delivery system).

## ACTIVE INGREDIENTS IN 2 CAPSULES:

fish oil (triglyceride form) with 226 mg EPA and 154 mg DHA, vitamin C 80 mg - 100% NRV, UC-II® [chicken cartilage undenatured (native) type II collagen] 40 mg, manganese 2 mg - 100% NRV, copper 1 mg - 100% NRV, vitamin K 90 µg - 120% NRV, vitamin D3 10 µg - 200% NRV.

**USE:** Recommended daily intake: 1 capsule 2 times a day, taken with a glass of water after a meal.

**PACKAGING:** 30 capsules

# FlexiForce ICE GEL

Immediate relief for muscle & joint pain

Physical activity and repetitive movements throughout the day may produce localized inflammation of muscles, tendons and joints. The innovative, clinically tested formula of FlexiForce ICE GEL delivers an immediate cooling effect to the top layers of the epidermis, based on the combined action of three cooling factors. **Alcohol** produces a cooling effect as it evaporates, causing significant temperature reduction of the skin surface. **Menthol** strengthens the effects of alcohol and promotes a cooling sensation. **Eucalyptol** reduces the sensation of heat and has a refreshing effect.

## INGREDIENTS:

Purified Water, Alcohol, Menthol, Glycerine, Eucalyptus Essential Oil, Carbopol, Triethanolamine, Brilliant Blue FCF.

## ADVANTAGES

- + Rapid relief for various joint issues,
- + helps improve joint mobility,
- + triple cooling effect,
- + analgesic action,
- + relieves joint pain and muscle inflammation.

**USE:** Apply 3 - 4 times a day with light circular massage to the painful area.

For external use only! | **PACKAGING:** 100 ml

# Urifar forte

Be UTI-free in a natural way

Did you know 1 in 3 women suffers from a UTI before the age of 24 and more than 50% report having a UTI at some point in their lives? **Urifar forte** is an innovative approach to urinary tract health. It contains an exceptional combination of: **D-mannose** which helps flush out harmful bacteria that sticks to the walls of your urinary tract; **Hibiscus** and **sour cherry** which work as **natural diuretics** that stimulate water elimination and support urinary tract health; **Vitamin A** which maintains healthy urinary tract mucosa and supports immune system function.

## ADVANTAGES

- + Strawberry-flavoured drinks for urinary tract health support,
- + rapid effect - starts working in 30 minutes,
- + have it at the first sign of trouble, or when you need to support your urinary tract health the most.

## ACTIVE INGREDIENTS IN 1 SACHET:

D-mannose 2000 mg, hibiscus flower extract with 10% total polyphenols 500 mg, sour cherry tails extract 250 mg, vitamin A 375 µg - 47% NRV.

**USE:** Recommended daily intake: 1 sachet. Dissolve it by stirring vigorously in 250 ml of water.

**PACKAGING:** 14 sachets

# Fertil Boost Women

Promoting hormonal balance and reproductive health

**ACTIVE INGREDIENTS IN 2 CAPSULES:**  
alpha lipoic acid 600 mg, inositol 600 mg,  
maca extract 100 mg, vitamin E 20 mg  
- 167% NRV, zinc 10 mg - 100% NRV,  
coenzyme Q10 (ubiquinone) 20 mg.

**Female infertility** is defined as the inability to conceive after 6 months of having regular unprotected sex and it accounts for more than 50% of all infertility problems. **Fertil Boost Women** is a female fertility formula containing a unique combination of inositol, maca extract, alpha lipoic acid, vitamin E, coenzyme Q10 and zinc – all essential for female fertility and hormonal balance. **Inositol** has been shown to restore menstrual cycles, and improve ovulation and fertility rates in women with polycystic ovary syndrome (PCOS). **Maca** supports hormonal balance and has a beneficial effect on fertility. **Alpha lipoic acid (ALA)** is one of the most potent antioxidants. It improves the development of ovarian follicles and boosts insulin sensitivity.

- ADVANTAGES**
- + Complete pre-pregnancy formula,
  - + designed to support healthy menstrual cycles, ovulation and fertility rates,
  - + restores insulin sensitivity, helping prevent ovulation issues,
  - + has a positive effect on polycystic ovary syndrome.

**USE:** Recommended daily intake: 1 capsule 2 times a day with a glass of water after a meal.  
**PACKAGING:** 60 capsules

# Fertil Boost Men

Promoting sperm count, motility and morphology

**Male infertility** refers to an inability to conceive after 6 months of having regular unprotected sex and it accounts for around 40% of all infertility problems. Healthy sperm is an important factor in male fertility. Sperm is very susceptible to oxidative stress damage due to high concentrations of fragile polyunsaturated fatty acids in the membranes. **Fertil Boost Men** has a high content of powerful antioxidants, amino acids, vitamins and minerals, all essential for improving male sperm quality in cases of low sperm count, low motility and suboptimal morphology.

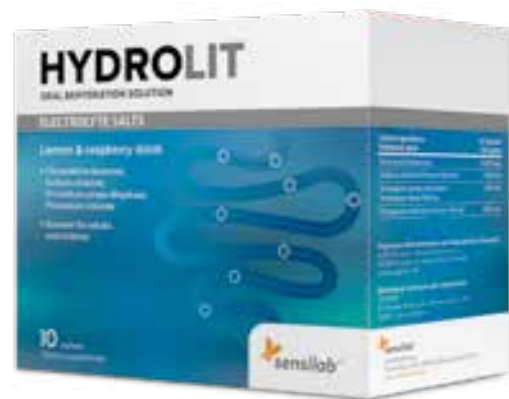

- ADVANTAGES**
- + Designed to improve male sperm quality in cases of low sperm count, low motility and suboptimal morphology,
  - + complete male prenatal supplement formula,
  - + high content of powerful antioxidants, amino acids, vitamins and minerals.

**ACTIVE INGREDIENTS IN 2 CAPSULES:**  
L-carnitine L-tartrate 200 mg,  
N-acetyl L-cysteine 300 mg,  
coenzyme Q10 (ubiquinone) 200 mg,  
vitamin C 100 mg - 125% NRV,  
lycopene 10 mg,  
zinc 20 mg - 200% NRV,  
vitamin E 30 mg - 250% NRV,  
selenium 100 µg - 182% NRV,  
folic acid 200 µg - 100%NRV.

**USE:** Recommended daily intake: 1 capsule 2 times a day with a glass of water after a meal.  
**PACKAGING:** 60 capsules

# Hydrolit

Maximum rehydration & electrolyte replenishment

Hydrolit is an oral rehydration solution that provides effective support in cases of diarrhea. Hydrolit contains **dextrose** and **electrolytes**, which rehydrate the body, speeding up its regeneration. The product is characterized by a decreased osmolarity and sodium content. It comes in the form of a lemon and raspberry flavored drink. Designed for kids over 3 and adults.

## ACTIVE INGREDIENTS IN 1 SACHET:

dextrose 3300 mg,  
sodium chloride 462 mg,  
trisodium citrate dihydrate 401 mg,  
potassium chloride 305 mg.

## ADVANTAGES

- + Prevents dehydration during periods of vomiting and diarrhea,
- + sodium is an essential electrolyte for humans, responsible for controlling the total amount of water in the body,
- + rehydrates and replenishes electrolytes if the fluid and electrolyte balance is disturbed.

**USE:** Recommended daily intake: 1 sachet up to 5 times a day, dissolved in 200 ml of lukewarm water and stirred thoroughly, after each loose stool. Do not sweeten. If vomiting, serve smaller portions at shorter time intervals (e.g. every 5-10 minutes).

**PACKAGING:** 10 sachets

# Butifar

Dietary management of intestinal flora imbalance

Sodium butyrate or butyric acid is a natural product of the intestinal microflora. It is a source of energy for the cells of the intestinal mucosa. **Sodium butyrate microgranules**, which is an innovative patented form of delivery, enables the release of the active substance along the entire intestine. Butyric acid deficiency may lead to gastrointestinal disorders such as diarrhea, constipation, and flatulence or gastrointestinal diseases such as irritable bowel syndrome and inflammatory bowel disease.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

sodium butyrate 300 mg.

## ADVANTAGES

- + Contains sodium butyrate in innovative patented form, normalizes stool density,
- + regulates the frequency of defecation,
- + decreases intestinal pain and discomfort in the abdominal cavity,
- + prevents flatulence,
- + has a positive effect on peristalsis.

**USE:** Recommended daily intake: 1 capsule in the morning and 1 in the evening, taken with a glass of water, preferably during meals. With chronic inflammatory bowel diseases (Ulcerative colitis and Crohn's disease) we recommend taking 2 capsules in the morning and 2 in the evening, with a glass of water, preferably during meals.

**PACKAGING:** 30 or 60 capsules

# Symbiotic<sup>+</sup>

The foundation of a healthy gut microbiota

**Probiotics** are live bacteria that help maintain a normal balance of microflora. The human digestive tract contains about 400 types of probiotics that reduce the growth of harmful bacteria and promote a balanced digestive system. Probiotics are often called “good” or “helpful” bacteria because they help keep your gut healthy. The largest group of probiotics in the intestine is the lactic acid bacteria. Symbiotic<sup>+</sup> is a **combination of probiotics** (*Saccharomyces boulardii* and *Lactobacillus rhamnosus* GG) **and a prebiotic** (Inulin).

#### ACTIVE INGREDIENTS IN 1 CAPSULE:

yeast *Saccharomyces boulardii* 2.5 x10<sup>9</sup> CFU,  
bacteria *Lactobacillus rhamnosus* GG  
6.0 x 10<sup>9</sup> CFU, inulin 50 mg.

#### ADVANTAGES

- + Has a beneficial effect on digestion,
- + helps maintain a normal intestinal microflora,
- + contains just the right combination of probiotics and prebiotics,
- + can help with some digestive conditions like irritable bowel syndrome, inflammatory bowel disease (IBD), infectious diarrhea (caused by viruses, bacteria or parasites),
- + benefits the body during and after treatment with antibiotics, since it helps maintain a beneficial intestinal flora.

**USE:** Recommended daily intake: for children aged 7 and above: 1 capsule, taken with a glass of water, best during a meal; for adults: 1-3 capsules, taken with a glass of water, best during a meal.

**PACKAGING:** 30 capsules

# Digestin flora

Helps maintain a healthy intestinal flora

Probiotics and digestive enzymes are keys to healthy digestion and intestinal flora. Digestin flora combines **9 most efficacious and resilient probiotic strains** and **digestive enzymes** (lactase, papain and bromelain). Probiotics are healthy, friendly bacteria that serve to boost the immune system and restore balance to the intestinal flora. We used the unique branded probiotic mixture **Megaflora 9**. It is one of the finest probiotic mixtures in the market with a much stronger effect and better stability when compared to other mixtures.

#### ADVANTAGES

- + Contains the best, unique combination of 9 most efficacious and resilient probiotic strains and digestive enzymes,
- + helps support digestion and contributes to normal functioning of the stomach and intestinal tract,
- + contains digestive enzymes from fruit sources (the most efficient and recommended source).

#### ACTIVE INGREDIENTS IN 1 CAPSULE:

Megaflora 9 powder 840 mg /  
8.4x10<sup>8</sup> CFU/g (strains of lactic-acid  
bacteria: Bifidobacterium lactis W51  
(x2), Bifidobacterium lactis W52,  
Enterococcus faecium W54, Lactobacillus  
acidophilus W22, Lactobacillus paracasei  
W20, Lactobacillus plantarum W21,  
Lactobacillus salivarius W24, Lactococcus  
lactis W19), lactase 65000 units powder  
120 mg, papain 6000 FCC powder 72 mg,  
bromelain 2500 GDU powder 72 mg.

**USE:** Recommended daily intake: 2 capsules 3 times a day, taken with a glass of water after a meal.

**PACKAGING:** 30 capsules

# Cod Liver Oil

For normal heart functioning and maintenance of normal bones

Cod Liver Oil contains a combination of **100% natural cod liver oil** and **vitamins A and D3**. Cod Liver Oil capsules contain **omega-3 fatty acids (EPA and DHA)** exclusively in the form of triglycerides that our body can easily recognize and use. The omega-3 fatty acids EPA and DHA support overall good health and wellbeing, starting with brain and eye health to cardiovascular health. Vitamin D3 is necessary for the health and strength of bones and teeth. It boosts the immune system and plays a role in many other important reactions in the body.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

cod liver oil 1101 mg (contains 80 mg DHA, 60 mg EPA), vitamin A 1.72 mg – 215% NRV, vitamin D3 10 µg – 200% NRV.

## ADVANTAGES

- + Contains 100% natural cod liver oil with added vitamins A and D3,
- + contains omega-3s (EPA and DHA) in the form of triglycerides,
- + leaves no fishy aftertaste,
- + contributes to normal heart functioning and maintenance of normal bones.

**USE:** Recommended daily intake: 1 capsule 2 times a day, taken with a glass of water during a meal.

**PACKAGING:** 60 capsules

# Holestop

Helps maintain healthy cholesterol levels

Holestop is a unique formulation of artichoke, olive, garlic, choline, and red yeast rice. **Artichoke** contributes to normal blood lipid levels. **Olive polyphenols** contribute to the protection of blood lipids from oxidative stress. **Garlic** helps maintain normal cholesterol levels and contributes to cardiovascular health. **Choline** contributes to normal lipid metabolism and helps maintain normal liver function. Monocolin K from **red yeast rice** helps maintain normal blood cholesterol levels.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

artichoke leaves extract with 2.5% cynarin 400 mg, olive fruit extract with 3% hydroxytyrosol 200 mg, red yeast rice powder with 3% monacolin K 130 mg, garlic bulb deodorized extract 100 mg, choline 82.5 mg.

## ADVANTAGES

- + Keeps cholesterol at normal and healthy levels,
- + managing the risk for heart disease,
- + lowers high cholesterol that cannot be managed through diet and exercise. But we always recommend lifestyle changes such as eating healthy and exercising.

**USE:** Recommended daily intake: 1 capsule 2 times a day, taken with a glass of water after a meal.

**PACKAGING:** 60 capsules

# Diabetyn

Helps maintain normal blood sugar levels

## ACTIVE INGREDIENTS IN 2 CAPSULES:

white mulberry leaves extract 400 mg,  
fenugreek seeds extract with 50% total  
saponins 280 mg, cinnamon bark extract  
240 mg, vitamin B6 4 mg - 286% NRV,  
chromium 120 µg - 300% NRV.

## ADVANTAGES

- + A natural solution for normal blood sugar levels,
- + contributes to normal insulin metabolism,
- + helps maintain normal blood sugar levels,
- + a preventive solution for all people that are prone to diabetes.

**USE:** Recommended daily intake: 1 capsule 2 times a day, taken with a glass of water, preferably after a meal.

**PACKAGING:** 60 capsules

# Cellaktiv Q10 50 mg

Triple antioxidant power

**Coenzyme Q10** in Cellaktiv Q10 is obtained naturally by bacterial fermentation. A natural water-soluble form of coenzyme Q10 has 3-4 times higher blood absorption rate than its oil-soluble form. Cellaktiv Q10 also contains **vitamin E** and **selenium** that contribute to the protection of cells from oxidative stress.

## ACTIVE INGREDIENTS IN 1 CAPSULE:

coenzyme Q10 (ubidecarenone) obtained  
by fermentation 50 mg, vitamin E 50 mg -  
416.7% NRV, black pepper fruit dry extract  
with 10-15% piperin 20 mg, selenium  
80 µg - 145.5% NRV.

## ADVANTAGES

- + Helps treat heart and blood vessel conditions,
- + helps with gum disease,
- + relieves symptoms of muscular dystrophy,
- + helps with chronic fatigue syndrome (CFS),
- + increases general energy levels,
- + used as a supplement to statin therapy.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 30 capsules

# Thyrolux

For a gentle balance of thyroid hormones

The thyroid gland is responsible for producing hormones that control the metabolism, body temperature, heart rate, energy levels, and mood, among other things. Hypothyroidism occurs if the thyroid is functioning below the optimal level, while hyperthyroidism is a state of excess thyroid hormones. Thyrolux provides nutrients that improve the conversion of the inactive thyroid hormone (T4) to the active thyroid hormone (T3), along with improving the transport and absorption of activated thyroid hormones into cell tissues to spark the metabolism. A combination of **L-tyrosine, selenium, magnesium, copper, manganese, guggul, schisandra** and **holy basil** supports a healthy balance of thyroid hormones.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

L-tyrosine 400 mg, Simag™ 55 [magnesium oxide from sea water] 300 mg with 55% magnesium 165 mg - 44% NRV, holy basil leaf extract 150 mg, schisandra fruit extract with 10% schisandrins 100 mg, guggul gum resin extract with 18-22% guggulipids 100 mg, zinc 10 mg - 100% NRV, bladderwrack thallus extract with 0,2% iodine 75 mg, selenium 80 µg - 145% NRV, manganese 4,4 mg - 220% NRV, copper - 1,4 mg - 140% NRV.

## ADVANTAGES

- + 4 in 1 action: balances thyroid hormones + helps you lose weight + strengthens hair and skin + improves mental focus,
- + plant-based ingredients and minerals essential for normal thyroid function,
- + boosts the metabolism and helps lose weight,
- + fights mental fog and improves mental focus.

**USE:** Recommended daily intake: 1 capsule in the morning and 1 capsule in the evening, with a glass of water after a meal.

**PACKAGING:** 60 capsules

# Adrenalux

Contributes to normal cortisol synthesis

Adrenalux supports healthy functioning of the hypothalamic-pituitary-adrenal axis. Adrenal fatigue is a collection of signs and symptoms that appear when the adrenal glands function below the necessary level. The combination of adaptogenic herbs help support optimal vitality, immune function, and optimal well-being. **Chamomile** helps to support the relaxation, mental and physical well-being and maintains a healthy sleep. **Sensoril® ashwagandha** is an adaptogen that contributes to optimal mental and cognitive activity and helps the body to deal with stress. **Siberian ginseng** helps maintain good cognitive performance and counteract fatigue. **Vitamin B5** contributes to reducing tiredness and fatigue.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

german chamomile flower extract 500 mg, Sensoril® [ashwagandha leaf and root extract with 10% withanolide glycosides and 32% oligosaccharides] 250 mg, siberian ginseng underground part extract with 0,8-2% eleutherosides (B+E) 200 mg, pantothenic acid 12 mg - 200% NRV, piperine 9,5 mg.

## ADVANTAGES

- + Provides necessary support for adrenal glands,
- + reduces burnout syndrome, increases energy, improves mood and focus,
- + 62.2% decrease in overall stress,
- + 67% improvement in the ability to sleep,
- + first results already within 2 weeks.

**USE:** Recommended daily intake: 1 capsule 2 times a day, taken with a glass of water after a meal.

**PACKAGING:** 60 capsules

# Estrolux

For a natural balance of estrogen levels in the body

Aging and high levels of physical, chemical and emotional stress are associated with the loss of progesterone in women and testosterone in men, causing a state of estrogen dominance. Estrolux helps balance excess estrogen in men and women. **Lemon balm** maintains the natural hormonal balance of the human body. **Bladderwrack** helps decrease estrogen. **Rosemary** promotes liver detoxification and reduces the production of estrogen. **Chlorella** and **active broccoli extract Broccoraphanin®** stimulate body detoxification process. **Vitamin B6** contributes to hormone regulation and to the reduction of tiredness and fatigue.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

lemon balm leaf extract with 2.5% rosmarinic acid 350 mg, chlorella powder 200 mg, rosemary leaf extract with 5-7% rosmarinic acid 200 mg, bladderwrack thallus extract with 0.15% iodine 100 mg (iodine 150 µg – 100% NRV), Broccoraphanin® broccoli seed extract with 10% glucoraphanin 100 mg, Vitamin B6 7.7 mg – 550% NRV, piperine 9,5 mg.

## ADVANTAGES

- + 3-in-1 action: blocks, deactivates and expels excess estrogen,
- + does NOT contain soy,
- + diminishes irritability and mood swings,
- + improves quality of sleep,
- + boosts weight loss and supports liver and gut detox.

**USE:** Recommended daily intake: 1 capsule 2 times a day, taken with a glass of water after a meal.

**PACKAGING:** 60 capsules

# M-pause

Helps to eliminate menopausal discomfort

With declining ovarian function 85% of women experience signs of (peri)menopause. The most common and irritating symptoms are night sweats, hot flashes, weight gain, mood swings, concentration problems and low energy. Symptoms can be noticed for several years before the last menstrual period and can continue for several years after. M-Pause provides the relief women in (peri)menopause desperately need – with the help of 2 plant extracts rich in phytoestrogens, plant-based estrogen-like substances that help balance estrogen levels in the body: **Lifeno!® hop** and **red clover** extracts. **Chicory** extract helps with weight control and supports digestion.

## ACTIVE INGREDIENTS IN 1 CAPSULE:

red clover aerial part extract with 20% total isoflavones 200 mg, chicory root extract with 20% inulin 200 mg, Lifeno!® [hops female flowers extract with 0,15-0,25% 8-prenylnaringenin] 85 mg, piperine 4,75 mg.

## ADVANTAGES

- + Multi-symptom menopause relief,
- + 2x greater reduction of the major symptoms associated with menopause,
- + 2x greater reduction of night sweats,
- + 4x greater reduction in the number of hot flashes,
- + supports weight loss and maintenance.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 30 capsules

# Sleeplux

Natural way to induce and maintain sleep

**ACTIVE INGREDIENTS IN 2 CAPSULES:**

L-tryptophan 250 mg, lemon balm leaf extract with 7% rosmarinic acid 250 mg, valerian root extract with 0,8% valerenic acid 120 mg, passionflower aerial part extract with 4% vitexin 40 mg, niacin 16 mg - 100% NRV, zinc 10 mg - 100% NRV, pantothenic acid 6 mg - 100% NRV, vitamin B6 1,4 mg - 100% NRV, folate 530 µg - 265% NRV, vitamin B12 200 µg - 8000% NRV.

**ADVANTAGES**

- + Natural 3-in-1 sleep support,
- + contains crucial nutrients important for melatonin production – the sleep hormone,
- + supports relaxation and aids healthy sleep,
- + improves the quality of sleep.

**USE:** Recommended daily intake: 2 capsules with a glass of water 30 minutes before sleep.

**PACKAGING:** 60 capsules

# Relax TEA

Traditional herbal tea that promotes relaxation

The lights go out, but the mind doesn't – it starts to race. You toss and turn with no end in sight. Don't worry, we feel you... This is why we've taken the time to carefully pick the 5 best herbs that have been traditionally used to relax the body and mind for centuries: **chamomile, lemon balm, motherwort, peppermint** and **caraway**. Glandline Relax TEA is a holistic approach to reducing stress that helps you relax one cup at a time!

**ADVANTAGES**

- + Brightens the mood,
- + calms a nervous heart,
- + soothes digestion,
- + helps get a good night's sleep.

**ACTIVE INGREDIENTS:**

caraway fruits (30%),  
chamomile blossoms (30%),  
lemon balm leaves (20%),  
peppermint leaves (10%),  
motherwort aerial parts (10%).

**USE:** Pour fresh hot water (70-80°C) over the tea bag and steep for 10 minutes. We recommend using one tea bag per cup.

**PACKAGING:** 20 teabags

# DermaGlow

Makes the skin lighter, smoother & younger

DermaGlow is a unique, high potency product for skin lightening. It contains the proper combination of: L-Glutathione, alpha-lipoic acid, grape seed and vitamin C. **L-Glutathione** is a protein that is found inside every cell of the human body. It acts as a powerful antioxidant and is a great skin lightening agent. It inhibits melanin production. Other 3 substances in DermaGlow (**alpha-lipoic acid, grape seed, and vitamin C**) have a strong anti-aging and anti-oxidative effect. They reduce the appearance of fine lines and wrinkles and nourish the skin.

## ACTIVE INGREDIENTS IN 1 SACHET:

L-Glutathione 1000 mg, alpha lipoic acid 100 mg, grape seed extract with 95% polyphenols 100 mg, vitamin C 90 mg - 113% NRV.

## ADVANTAGES

- + Delicious raspberry flavor,
- + can be used without water by melting it on the tongue,
- + a unique product for skin lightening,
- + visible results right after the skin produces new cells which appear whiter than before,
- + an anti-aging effect that makes the skin smoother and younger.

**USE:** Recommended daily intake: 1 sachet melted on the tongue or dissolved in a glass of water.

**PACKAGING:** 30 sachets

# Collagen Gold

Supports strong hair & prevents hair loss

Collagen Gold combines high levels of collagen type I and soluble keratine to reduce hair loss and support fuller, shinier hair. **Naticol®** is pure **marine hydrolyzed collagen** with high levels of oligopeptides and all eight essential amino acids. It has an extraordinarily low molecular weight, which is a part of what makes it unique compared to conventional collagen. It supports strong and shiny hair and prevents hair loss. **Cynatine® HNS** is a **soluble keratin** powder with an excellently preserved amino acid profile that significantly contributes to the improved health and vitality of hair, skin, and nails.

## ADVANTAGES

- + Delicious orange flavor,
- + excellent solubility - also in cold water,
- + supports strong and shiny hair and prevents hair loss,
- + assures shiny and fuller hair in only 4 weeks,
- + a perfect balanced hair supplements for everyone who wants to have gorgeous, shiny hair.

## ACTIVE INGREDIENTS IN 1 SACHET:

Naticol® (type I fish collagen peptides) 5000 mg, Cynatine® HNS (soluble keratin powder) 500 mg.

**USE:** Recommended daily intake: 1 sachet, dissolved in a glass of water after a meal.

**PACKAGING:** 15 sachets

# UNDO skincare cream

Effectively slows down skin aging

Aging is a process that can't be stopped – but it can be slowed down. Among other factors, the appearance of young-looking skin depends on the collagen structure that creates firmness and tone. In the aging process this structure weakens, dissolving quicker and taking longer to recover. UNDO face cream with the **innovative patented Undo complex™** and carefully selected antioxidants prevents the breakdown of collagen and stimulates its production. Undo complex™, the key ingredient of UNDO cream, is the first pharmaceutical component that can decelerate the aging process by working on two levels: shielding cells from the damaging effect of free radicals, and inhibiting the enzymes breaking down collagen. UNDO cream isn't just a beauty aid, it's a powerful pharmaceutical based on latest medical expertise.

## INGREDIENTS:

Aqua, Cetearyl Alcohol, Cetearyl Glucoside, Glucose, Tocopheryl Acetate, Alcohol Denat., Glycerin, Dicaprylyl Carbonate, (S)-3-methyl-2-[N-({4-[2 (2H-1,2,3,4-tetrazol-5-yl) phenyl]phenyl)methyl}pentanamido] butanoic acid, Dicaprylyl Ether, Triethanolamine, Stearic Acid, Sodium Ascorbyl Phosphate, Dimethicone, Propylheptyl Caprylate, Polyacrylate Crosspolymer-6, Phenoxyethanol, Ethylhexylglycerin, Retinyl Palmitate, Caprylic/Capric Triglyceride, Tocopherol, Parfum, Disodium EDTA.

## ADVANTAGES

- + Stimulates collagen production and diminishes the effects of aging,
- + inhibits damaging free radicals and wrinkle formation,
- + significantly improving skin elasticity,
- + contributes to a firmer skin structure and youthful glow,
- + suitable for all skin types,
- + works around the clock, with all-in-one action.

**USE:** Apply to clean face, neck and cleavage skin each morning and night.

Avoid contact with the eyes. For external use only.

**PACKAGING:** 50 ml

# UNDO eye serum

Slows down the aging process around the eyes

UNDO eye serum contains **hyaluronic acid** which can penetrate into the deeper layers of the skin and achieve a stronger invigorating effect. In combination with **trehalose**, it provides the skin with moisture even under extreme environmental conditions. It's also rich in **plant-based antioxidants** that protect and strengthen the skin, including vitamin E and the antioxidants found in beta-glucan, aloe vera, barley, sunflower oil, lavender oil, and witch hazel.

## ADVANTAGES

- + 4-in-1 effect: moisturizes the skin, improves microcirculation, increases collagen and prevents it from decomposing, protects the skin from irritants,
- + reduces swelling and dark circles around the eyes,
- + revitalizes the skin around the eyes and removes visible signs of aging.

## INGREDIENTS:

Aqua, Glycerin, Caprylic/Capric Triglyceride, Hamamelis Virginiana Water, Aloe Barbadensis Leaf Juice, Phenoxyethanol, Glyceryl Citrate/Lactate/Linoleate/Oleate, Propylene Glycol, Carbomer, Xanthan Gum, Trehalose, Pentyleneglycol, Beta-Glucan, Hordeum Vulgare Seed Extract, 1,2-Hexanediol, Sodium Hyaluronate, Caprylyl Glycol, Lavandula Angustifolia Herb Oil, Tocopherol, Helianthus Annuus Seed Oil, Sodium Benzoate, Alcohol, Linalool.

**USE:** In the morning and evening with your fingertips gently apply the serum to the clean skin around the eyes.

**PACKAGING:** 15 ml

# UNDO collagen drink

Reduces effects of skin aging and contributes to normal collagen formation

The ultimate formula for healthy skin, hair and nails in just 2 months! With **hydrolyzed type I collagen** - collagen is a major protein found in the connective tissue and skin (more than 75%) which plays an essential role in the maintaining of skin tone, suppleness, and elasticity. **Hyaluronic acid** that hydrates the skin and makes it firmer. **Blueberry**, one of the richest natural sources of anthocyanins with strong antioxidant effect. And **vitamin C** that contributes to collagen formation which is required for the normal functioning of the skin.

## ACTIVE INGREDIENTS IN 1 SACHET:

Naticol® [type I fish collagen peptides]  
2500 mg, blueberry fruit puree powder  
100 mg, hyaluronic acid 120 mg,  
vitamin C 80 mg - 100% NRV.

## ADVANTAGES

- + Patented collagen type I reduces wrinkles by 16.5%,
- + hyaluronic acid significantly increases skin moisture,
- + vitamin C contributes to healthy skin, hair, and nails,
- + delicious taste of blueberry - over 70% of customers say that our collagen tastes and smells better than other collagen's on the market.

**USE:** Recommended daily intake: 1 sachet, dissolved in a glass of water after a meal.

**PACKAGING:** 15 sachets

# UNDO nutrishine

3 in 1 vegan beauty formula for lush hair and strong nails

No beauty treatment for hair and nails is as effective as the one that works from the inside out. UNDO nutrishine provides all essential nutrients (**silica**, **hyaluronic acid**, **vitamin B2**, **biotin**, **zinc** and **selenium**) that support the body's regeneration mechanism providing 65% more shiny hair, 47% less hair loss and 25% stronger nails. Unlike most other products, Nutrishine capsules are not made from keratin of animal origin and are 100% plant-based and suitable for vegans!

## ACTIVE INGREDIENTS IN 1 CAPSULE:

horsetail aerial parts extract with 7% silica 300 mg (silica 21 mg), sodium hyaluronate 100 mg, zinc 10 mg - 100% NRV, biotin 500 µg - 1000% NRV, selenium 55 µg - 100% NRV, black pepper fruit extract with 95% piperine 5 mg, vitamin B2 2,8 mg - 200% NRV.

## ADVANTAGES

- + Stimulate and accelerate the growth of healthy hair and reduce hair loss,
- + strengthens the nails and makes them stronger and longer,
- + visibly more beautiful and shiny hair up to 65%,
- + up to 47% less hair loss,
- + 88% of customers have stronger nails.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 30 capsules

# UNDO perfect skin

Promotes a youthful skin glow and reduces pigment spots

**ACTIVE INGREDIENTS IN 1 CAPSULE:**  
SkinAx<sup>2</sup>™ [blend of grape seeds extract, melon fruit concentrate, zinc citrate and coated vitamin C (L-ascorbic acid)] 150 mg – vitamin C – 15% NRV, zinc 40% NRV, lycopene 6 mg, B-complex premix [nicotinamide; carrier: maltodextrin; D-pantothenate, calcium; D-biotin; cyanocobalamin; pyridoxine hydrochloride; riboflavin; thiamin mononitrate; pteroylmonoglutamic acid] 50 mg – 100% NRV for 8 vitamins of B-complex, beta-carotene 4.8 mg – 100% NRV, selenium 75 µg – 136% NRV, vitamin E 10 mg – 83% NRV.

ADVANTAGES

- + Promotes a healthy skin tone and a fresh and youthful look,
- + inhibits excess melanin production, preventing unevenly pigmented skin,
- + inhibits collagen and elastin breakdown, preventing wrinkling,
- + keeps the skin healthy with its antioxidant and anti-inflammatory action.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.  
**PACKAGING:** 30 capsules

# UNDO retinol glow caps

The ultimate wrinkle-smoothing solution

**Retinol** is the one crucial ingredient that the dermatologists and skin specialists agree on when it comes to reducing visible signs of ageing. UNDO retinol glow caps reduce visible signs of ageing with the combined power of retinol, **ceramides** and a **vitamin E**-like potent **antioxidant** that repair, deeply hydrate and protect your skin. Results are plumped up, firm and radiant skin with visibly reduced signs of ageing in only 30 days! This luxurious skin-smoothing treatment should be repeated a few times per year.

ADVANTAGES

- + Visibly diminish wrinkles and fine lines,
- + improves uneven skin tone,
- + supercharge skin regeneration,
- + provides remarkable skin hydration and protection,
- + first results visible after just 4 weeks.

**INGREDIENTS:**  
Cyclopentasiloxane, Ethylhexyl Cocoate, Dimethiconol, Glycine Soja Oil, Retinol, Dimethylmethoxy Chromanol, Ceramide NP, Phenoxyethanol.

**USE:** Apply in the evening to the cleansed skin of face and neck, under your nighttime skincare products. Pinch the capsule tip, twist and pull off.  
**PACKAGING:** 30 capsules

# Biotin

The vitamin for hair, skin and nails

**Biotin**, a B vitamin also known as **Vitamin B7**, is an important nutrient not only for hair, skin and nails but also to help convert food into energy. Clinical studies have shown that those deficient in biotin experience hair loss and brittle nails.

#### ACTIVE INGREDIENTS IN 1 CAPSULE:

D-biotin (biotin 1 mg – 2000% NRV), zinc 10 mg – 100% NRV, selenium 55 µg – 100% NRV.

#### ADVANTAGES

- + Promotes healthy hair, radiant skin and strong nails,
- + contributes to a strong metabolic rate, and balanced mood and psychological function,
- + with added zinc and selenium supports immune system and thyroid health,
- + helps reduce oxidative stress.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 90 capsules

# Magnesium 375 mg

Naturally sourced marine magnesium

**Magnesium** is crucial for every cell in your body and yet 75% of adults consume less than a minimum daily recommended amount.

**Sensilab Essentials Magnesium 375 mg** is made from 100% natural, purified and high-quality seawater. The production procedure is gentle – no chemical solvents – and ensures the best quality magnesium, as well as reduced sodium and chlorine content.

#### ACTIVE INGREDIENTS IN 1 CAPSULE:

Simag™ 55 [marine magnesium extract from sea water] (magnesium 375 mg – 100% NRV).

#### ADVANTAGES

- + Improves muscle function,
- + reduces tiredness and fatigue,
- + helps in the functioning of the nervous system,
- + helps achieve electrolyte balance,
- + beneficial in the process of cell division,
- + normal energy-yielding metabolism.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 30 capsules

# Vitamin C 500 mg

Vitamin C with natural rose hip extract

When it comes to your health, **vitamin C** is a true all-rounder vital for the proper functioning of every cell in your entire body. **Rose hips** are one of the richest sources of vitamin C, since they contain about 60 times more vitamin C than an equal amount of citrus fruit. Sensilab Essentials Vitamin C contains 500 mg of vitamin C that meets the daily needs of every individual.

## ACTIVE INGREDIENTS IN 1 CAPSULE:

rose hip fruits extract with 70% vitamin C  
(vitamin C 500 mg - 625% NRV).

## ADVANTAGES

- + Improves the functioning of the immune system,
- + contributes to normal collagen formation,
- + promotes a normal energy-yielding metabolism,
- + contributes to the normal functioning of nervous system,
- + protects cells from oxidative stress,
- + helps reduce tiredness and fatigue.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 30 capsules

# Vitamin K2

Bioactive and micro-encapsulated vitamin K2

Do you know why **Vitamin K2** is called »the missing nutrient«? Because most western diets are K2-deficient and the majority of adults and children in the western population have low blood levels of vitamin K2! Sensilab Essentials Vitamin K2 contains MK-7 (menaquinone-7) – a superior form to any other form of vitamin K on the market.

## ACTIVE INGREDIENTS IN 1 CAPSULE:

K2VITAL® Delta 100 mg with vitamin K2  
200 µg – 267% NRV.

## ADVANTAGES

- + Contains K2VITAL® Delta, an all-trans Vitamin K2 MK-7 which means it's all-bioactive,
- + super-strong, high potency formula with 200 µg in 1 capsule,
- + double coated beadlet with two water-dispersible coatings providing superior stability,
- + small, easy to swallow capsules.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 30 capsules

# Vitamin B12

A perfect combination of vitamin B12 and folate

**Vitamin B12**, also known as cobalamin, is an essential vitamin and cannot be produced by the body. It is found naturally in a wide variety of animal products, but not in plant foods. But not only vegans and vegetarians need to supplement it as around 40% of the general population have an under-supply of vitamin B12. We have also added **bioactive folate** as a lack of vitamin B12 can indirectly cause a folate deficiency, as the two vitamins are dependent on one another.

## ACTIVE INGREDIENTS IN 1 CAPSULE:

vitamin B12 (methylcobalamin)  
1000 µg - 40000% NRV, folate  
(methylfolate) 400 µg - 200% NRV.

## ADVANTAGES

- + Bioactive forms of vitamin B12 (methylcobalamin) and folate
- + super-strong, high-potency formula
- + 1 capsule covers 40.000% of recommended daily intake of vitamin B12,
- + suitable for vegans & vegetarians who face a very high risk of vitamin B12 deficiency.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 30 capsules

# Vitamin D3 4000 IU

High-potency formula with 4000 IU of vitamin D3

**Vitamin D3** is produced naturally when our skin is exposed to the sunlight. But up to 75% of the world's population is vitamin D deficient making it a major health problem in all age groups, experiencing symptom like tiredness, mood swings, aching muscles and poor immunity. In Sensilab Vitamin D we used the form **cholecalciferol**, the most effective form of vitamin D - it can be absorbed and utilised a lot better than other forms. It also stays in our blood longer. A single capsule of Vitamin D3 provides 4000 IU of this key vitamin, making it ideal for most people to reach optimal vitamin D blood levels.

## ACTIVE INGREDIENTS IN 1 CAPSULE:

vitamin D3 (cholecalciferol)  
100 µg - 2000% NRV.

## ADVANTAGES

- + 1 capsule covers 2000% of recommended daily intake,
- + supports the immune system,
- + keeps bones, muscles and teeth strong and healthy,
- + recommended for people with increased vitamin D3 needs (everyone during the winter, people with limited sunlight exposure, overweight and obese, post-menopausal women, elderly ...).

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 30 capsules

# Zinc 25 mg

Chelated zinc with superior absorption & bioavailability

Although zinc is widely represented in food, there are certain groups of people with low or inadequate zinc status, like vegans and vegetarians, people over the age of 60, and pregnant and lactating women. **Zinc** is of key importance in many biological processes and it is vital for the functionality of more than 100 enzymes. It plays an important role in immune system function, protein synthesis, blood clotting, wound healing and reproduction.

## ACTIVE INGREDIENT IN 1 CAPSULE:

zinc (zinc bisglycinate) 25 mg – 250% NRV.

## ADVANTAGES

- + In form of zinc bisglycinate chelate,
- + proven to be significantly more bioavailable than zinc gluconate,
- + stomach-friendly form,
- + suitable for everyone, regardless of age, life stage or gender.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 30 capsules

# Iron

Chelated iron with superior absorption & bioavailability

**Iron** deficiency is the most prevalent nutritional disorder in the world. The first choice of treatment for iron deficiency is iron based supplements. However, many iron supplements come with major drawbacks, such as: digestive tract irritation, poor bioavailability and metallic taste. Sensilab Essentials Iron is a superb iron supplement designed to improve the absorption of iron while decreasing the adverse effects commonly associated with consuming iron supplements.

## ACTIVE INGREDIENTS IN 1 CAPSULE:

Ferrochel® [ferrous bisglycinate]  
(iron 40 mg – 286% NRV),  
calcium-L-ascorbate  
(vitamin C 80 mg – 100% NRV).

## ADVANTAGES

- + A patented form of iron bisglycinate chelate,
- + super-strong, high potency formula,
- + superior absorption compared to other common iron forms,
- + with added vitamin C for enhanced iron absorption.

**USE:** Recommended daily intake: 1 capsule with a glass of water after a meal.

**PACKAGING:** 30 capsules

# Vegan Omega-3

Plant-based and environmentally friendly

Did you know less than 20% of people worldwide get the minimum recommended intake of omega-3s per day? Omega-3s EPA and DHA are found in every single cell of your body, which means they play an important role in overall health. But the body can't make omega-3s from scratch, so you have to get them from your diet. Sensilab Essentials Vegan Omega-3 contains top-quality omega-3 **extracted directly from algae** – the primary source of omega-3. A plant-based, sustainable and environmentally friendly alternative to fish oil with all its heart, brain and eye health benefits.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

Algae Mega [DHA and EPA-rich oil from the microalgae Schizochytrium sp., bulking agent: high oleic sunflower oil, flavor: rosemary extract, antioxidants: tocopherols and ascorbyl palmitate]  
1000 mg (300 mg DHA, 150 mg EPA).

## ADVANTAGES

- + Algae oil rich in DHA & EPA in their natural triglyceride form,
- + essential for life & overall health,
- + suitable for vegans, vegetarians, and those suffering from fish allergy,
- + with added vitamin C, E and rosemary extract for maximum freshness.

**USE:** Recommended daily intake: 1-2 capsules with a glass of water during a meal.

**PACKAGING:** 30 capsules

# Omega-3 1000 mg

Super strength omega-3

Did you know more than 95% of adults have suboptimal omega-3 blood levels which have been linked to impaired cardioprotection? We know that beneficial effects are obtained with a **minimum daily intake of 250 mg of EPA and DHA**. But we also know that the minimum intake is NOT an optimal one. Even if you are hitting the bare minimum, that's all that it is: **the bare minimum**. Not exactly words you would want to describe the state of your health with. This is why we have developed **Sensilab Essentials Omega-3 1000 mg** that contains 3x the "bare minimum" of omega-3s in every capsule!

## ACTIVE INGREDIENTS IN 1 CAPSULE:

fish oil 1000 mg  
(EPA 500 mg, DHA 250 mg).

## ADVANTAGES

- + Pure and highly-concatenated fish oil,
- + super strength omega-3s with 500 mg EPA and 250 mg DHA in 1 capsule,
- + vital for overall health: protects your heart, supports your brain, supports your vision,
- + only 1 capsule a day.

**USE:** Recommended daily intake: 1 capsule with a glass of water during a meal.

**PACKAGING:** 30 soft capsules

# Super Omega-3 + Q10

2 in 1 for healthy heart

Super Omega-3 + Q10 combines highly concentrated fish oil with coenzyme Q10. **Omega-3 fatty acids** are integral parts of cell membranes throughout the body and affect the functioning of the cell receptors in these membranes. They are the starting point for making hormones that regulate blood clotting, contraction and relaxation of artery walls, and inflammation. **Coenzyme Q10** (also known as ubiquinone) is found in almost every cell in the body, and it is a powerful antioxidant. Some researchers believe that the coenzyme Q10 may help with heart-related conditions because it can improve energy production in cells.

## ACTIVE INGREDIENTS IN 1 CAPSULE:

fish oil (triglyceride form) 1000 mg (EPA 280 mg, DHA 190 mg), coenzyme Q10 (ubidecarenone) 50 mg.

## ADVANTAGES

- + Contains 1000 mg of fish oil, with EPA and DHA that are important for a healthy heart,
- + also contains 50 mg of coenzyme Q10, a strong antioxidant that is also important for normal function of the heart,
- + omega 3 fatty acids can also decrease the risk for cardiovascular diseases,
- + they contribute to normal brain and nervous system functioning.

**USE:** Recommended daily intake: 1 capsule with a glass of water during a meal.

**PACKAGING:** 30 soft capsules

# Multivitamin & minerals

Essential vitamins and 3 minerals we need every day

**Vitamins and minerals** are indispensable substances that our body can't make by itself (in sufficient quantities) so we have to get them with food. They take part in thousands of vital reactions in the body involved in: helping us get the energy from the food we eat, supporting growth and regeneration of all cells, tissues and organs, enabling detoxification, protecting the body from infection, supporting blood production, and a lot more.

## ADVANTAGES

- + All the 13 essential vitamins in sufficient quantities to cover 100% of your daily needs,
- + 2 immune system boosting minerals: zinc and selenium,
- + magnesium to relieve the feeling of muscle tension,
- + just 1 capsule a day with 3-month supply.

## ACTIVE INGREDIENTS IN 1 CAPSULE:

magnesium oxide (magnesium 187,5 - 50% NRV), multivitamin premix [DL-alpha-tocopheryl acetate (vitamin E 12 mg - 100% NRV); nicotinamide (niacin 16 mg - 100% NRV); retinyl acetate (vitamin A 800 µg - 100% NRV); D-pantothenate, calcium (pantothenic acid 6 mg - 100% NRV); D-biotin (biotin 50 µg - 100% NRV); cyanocobalamin (vitamin B12 2,5 µg - 100% NRV); carrier: maltodextrin; cholecalciferol (vitamin D3 5 µg - 100% NRV); pyridoxine hydrochloride (vitamin B6 1,4 mg - 100% NRV); thiamine hydrochloride (vitamin B1 1,1 mg - 100%\*); riboflavin (vitamin B2 1,4 mg - 100% NRV); phytomenadione (vitamin K1 75 µg - 100% NRV); pteroylmonoglutamic acid (folic acid 200 µg - 100% NRV)], L-ascorbic acid (vitamin C 80 mg - 100% NRV), zinc gluconate (zinc 10 mg - 100% NTV), selenium enriched yeast (selenium 55 µg - 100% NRV).

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 90 capsules

# Vena support

Reduce the sensation of tired and heavy legs

Unique combination of natural ingredients helps with the treatment of varicose and spider veins. **Hesperidin** and **diosmin** help the muscles around blood vessels "loosen up." This allows pooled blood to flow away from bruises and varicose veins, but at the same time lowers blood pressure. Other ingredients contains powerful **flavonoids**, which are known for their anti-inflammatory benefits and effects on the smallest blood vessels, the capillaries.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

red vine leaf extract with 30% total polyphenols 600 mg, diosmin + hesperidin 90:10 blend 300 mg (diosmin 255 mg, hesperidin 25,5 mg), bitter orange fruit extract with 98% hesperidin 82 mg, japanese pagoda tree bud extract with 95% rutin 42 mg.

## ADVANTAGES

- + Reduces inflammation,
- + improved the blood circulation in the legs,
- + for women & men who spend a lot of time in their legs,
- + with patented superior red vine leaves extract VinOleaf™.

**USE:** Recommended daily intake: 1 capsule 2 times a day, taken with a glass of water after a meal.

**PACKAGING:** 60 capsules

# Garcinia cambogia

Reduces appetite and sense of hunger

The secret behind **Garcinia Cambogia** effects lies in the fruit rind: **hydroxycitric acid or HCA**. Studies have shown that HCA supports body weight reduction, inhibits lipogenesis (fat formation) and reduces appetite and helps you fight cravings throughout the day. In combination with **chromium**, it provides optimal results by helping stabilise blood sugar levels.

## ACTIVE INGREDIENTS IN 3 CAPSULES:

garcinia fruit extract with 60% hydroxycitric acid 1800 mg, black pepper fruit extract with 95% piperine 15 mg, chromium 108 µg - 270% NRV.

## ADVANTAGES

- + Reduces apatite and the sense of hunger,
- + reduces accumulation of fat in your body,
- + helps control body weight,
- + chromium helps regulate blood sugar levels.

**USE:** Recommended idaily intake: 1 capsule 3 times a day, taken with a glass of water 30 minutes before main meals.

**PACKAGING:** 90 capsules

# Turmeric curcumin

One of the strongest turmeric & vitamin D3 capsules on the market

**Curcuma** or **turmeric** is known as the king of spices in Ayurvedic medicine. Its main chemical component, curcumin, helps cleanse the liver, purify the blood, improves digestion and elimination. It stimulates bile production in the gallbladder, scavenges free radicals, and speeds up the liver detoxification process. It acts as a powerful antioxidant and has powerful anti-inflammatory properties.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

NovaSOL® Curcumin [curcuma longa rhizomes extract with 6% curcuminoids 1000 mg, vitamin D3 10,8 µg - 216% NRV].

## ADVANTAGES

- + Patented ingredient, NovaSOL® Curcumin, in micellar form,
- + 185x more bioavailable than native curcumin,
- + maintains the lung & upper respiratory tract health,
- + protects the cells from harmful substances thanks to a high antioxidant content.

**USE:** Recommended daily intake: 1-2 capsules, taken with a glass of water after a meal.

**PACKAGING:** 60 capsules

# Keto F-burn

Get the most out of your keto diet

When you're dieting, carbohydrates become your body's main source of energy. But when you're on a keto diet, which is low in carbohydrates, your body has limited access to glucose so it starts burning fat for energy instead. This process is called **ketosis** - it means that your liver is converting fatty acids into ketones and using them as fuel. This is where Keto F-Burn comes in. It will help you burn fat faster and make sure you get the most out of ketosis with combination of 4 ingredients: **green tea**, **caffeine**, **ginger** and **cayenne hot pepper**.

## ADVANTAGES

- + Increases fat burning by 16%,
- + increases calorie consumption and boosts energy levels,
- + for a clear mind and an improved sense of well-being,
- + ideal for anyone on a keto diet.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

green tea leaves extract with 50% total polyphenols and 2-6% caffeine 160 mg, caffeine 160 mg, ginger rhizome extract with 5% gingerols 160 mg, cayenne hot pepper fruit extract 20 mg.

**USE:** Recommended daily intake: 1 capsule 2 times a day, taken with a glass of water after a meal.

**PACKAGING:** 60 capsules

# OPC

Protect every cell and tissue in your body

**Polyphenols, OPCs** in particular, are incredibly strong antioxidants. Since plants can't defend themselves from microbes, insects, harmful UV radiation, and so on, by running away or fighting, they have evolved to produce protective substances. We have learned to harness the power of these substances for ourselves. OPCs are 20-times stronger than vitamin C and 50-times stronger than vitamin E. In OPC capsules we used the patented formula of **grape seeds Grap'Inside™** 600 contains polyphenols in monomer form.

## ACTIVE INGREDIENTS IN 1 CAPSULE:

grape seed extract 430 mg with 95% total polyphenols and 60% OPC (OPC 260 mg).

## ADVANTAGES

- + With inique patented grape seed extract Grap'Inside™ 600,
- + has 82x better absorption compared to similar products,
- + beneficial effects for the cardiovascular system,
- + protection from free radical damage for all your body cells and tissues,
- + one of the stongest antioxidants.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 90 capsules

# AdipoSlim EXTREME

EXTREME fat burner that targets stomach fat

AdipoSlim EXTREME packs a combination of 5 powerful ingredients with synergistic effects, speeding up weight loss in a natural way. **Sicilian red orange** var. Moro inhibits fat storage, reducing adipose tissue formation by up to 50%. **Cayenne pepper**, with active ingredient capsaicin, **green tea** helps burn fat while also impeding its absorption. AdipoSlim EXTREME can activate brown fat – the fat in charge of thermogenesis (burning fat for generating heat). In doing so, it turns your body back into the fat-burning machine it used to be when you were younger!

## ACTIVE INGREDIENTS IN 1 CAPSULE:

MOROSIL® [Sicilian red orange fruit extract var. Moro with 4,3-4,5% vitamin C] 400 mg, green tea leaves extract with 50% total polyphenols and 2-6% caffeine 100 mg, MaxiTherm® SD [cayenne fruit enteric coated beadlets with 2% capsaicinoids] 50 mg, vitamin B6 3.5 mg - 250% NRV, BioPerine® [black pepper fruit extract with 95% piperine] 5 mg.

## ADVANTAGES

- + Reduce belly fat by up to 50%,
- + reduce waist size by up to 7.5 cm,
- + reduce hip size by up to 6 cm,
- + boost fat burning by 33%.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 30 capsules

# FatBurn EXTREME

EXTREME fat burner with L-carnitine sourced from Switzerland

FatBurn EXTREME is a natural thermoburner with L-carnitine. **L-carnitine** plays a vital role in our body's ability to use fat for energy. It functions as a transporter of long-chain fatty acids into the mitochondria, the power stations of the cell. The more fats it transports the more calories we can burn. FatBurn EXTREME comes as a delicious **mango drink**. It helps you get the most impact even from short exercise sessions.

## ACTIVE INGREDIENTS IN 1 SACHET:

Carnipure® [L-carnitine L-tartrate] 1000 mg, green mate leaves extract with 8% caffeine 1000 mg, guarana seed extract with 10% caffeine 700 mg, papaya mature fruit juice powder with 6 USP units/mg proteolytic activity of papain 500 mg, niacin 80 mg – 500% NRV.

## ADVANTAGES

- + Fat burner and energy enhancer in one,
- + faster burning of calories due to the thermogenic effects,
- + increases the amount of energy,
- + burns 24% more fat for several hours after workout.

**USE:** Recommended daily intake: 1 sachet, dissolved in 250 ml of water.

Drink it after a meal.

**PACKAGING:** 15 sachets

# FatEliminator EXTREME

Reduce your daily calorie intake without cutting portions

FatEliminator EXTREME is a brand-new formula on the market that literally binds to up to 28% of the fats you eat, forming a gel that can't be digested or absorbed by the body. Having no use for it, the body flushes it out instead. This can be done by 2 unique patented ingredients. **NeOpuntia®** derived from **Opuntia ficus-indica** cactus absorbs fat and boosts fat metabolism. **FibreGum™** from **acaia seyal agum** boosts elimination of waste products from the digestive system.

## ACTIVE INGREDIENTS IN 1 SACHET:

Fibregum™ BG (acacia gum with 90% soluble dietary fiber) 8000 mg, NeOpuntia® (prickly pear powder) 3200 mg, choline 165 mg, ginger extract 50 mg.

## ADVANTAGES

- + Fat-binding drink for faster slimming,
- + binds and eliminates 28% of fats from your meals,
- + reduce your daily calorie intake without cutting your portions.

**USE:** Recommended daily intake: 1 sachet 2 times a day, dissolved in 250 ml of water.

Drink it 30 minutes after a meal.

**PACKAGING:** 14 sachets

# WaterOut EXTREME

EXTREME excess water draining effect

**ACTIVE INGREDIENTS IN 1 SACHET:**

CactiNea™ (Prickly pear powder) 2000 mg, parsley extract 500 mg, sarsaparilla extract 500 mg, hibiscus extract 500 mg, watermelon powder 500 mg, cat's whiskers extract 500 mg, artichoke extract 350 mg, VinOgrape™ Plus (Red grape extract) 50 mg.

**ADVANTAGES**

- + The strongest natural diuretic on the market that offers visible slimming results within days,
- + studies show a 27% increase in excess water elimination, with the advantage of preserving mineral substances,
- + natural metabolism booster that helps you lose weight 2.5 times faster,
- + alleviates bloating and diminishes the appearance of cellulite.

**USE:** Recommended daily intake: 1 sachet, dissolved in 1 litre of water.

Drink it throughout the morning.

**PACKAGING:** 10 sachets

# NightBurn EXTREME

The only 4 in 1 fat burner that works at night

**ACTIVE INGREDIENTS IN 1 SACHET:**

Fibregum™ [Acacia gum with 90% soluble dietary fiber] 3500 mg (soluble dietary fiber 3150 mg), garcinia fruit extract with 60% hydroxycitric acid 1000 mg (hydroxycitric acid 600 mg), choline bitartrate 400 mg (choline 165 mg), lemon balm leaf extract with 15% hydroxycinnamic acid and 7% rosmarinic acid 400 mg (hydroxycinnamic acid 60 mg, rosmarinic acid 28 mg), natural lime flavor, carob tree fruit extract 250 mg, calcium L-ascorbate (vitamin C 160 mg - 200% NRV\*), chicory root extract with 20% inulin 200 mg (inulin 40 mg).

**ADVANTAGES**

- + Helps shrink the waistline,
- + suppresses late-night cravings and keeps calories from turning into fat,
- + boosts metabolism and keep liver, the main fat-burning organ, in shape,
- + lets you sleep like a baby and wake up refreshed.

**USE:** Recommended daily intake: 1 sachet, dissolved in 250 ml of water.

Drink it before sleep.

**PACKAGING:** 10 sachets

# HungerBlock EXTREME

All-natural appetite suppressant

HungerBlock EXTREME kicks hunger to the curb – just by letting your brain know you’re no longer hungry! **DNF-10**, patented satiety peptides, reduces hunger and cravings by lowering two of the main hunger hormones - ghrelin and neuropeptide Y. Combined with **carob** and **bladderwrack** extracts, both known to increase satiety and prevent overeating. Due to a naturally high level of **iodine**, bladderwrack additionally supports weight loss by boosting metabolism.

**ACTIVE INGREDIENTS IN 2 CAPSULES:**

DNF-10 (Peptide-rich hydrolysate from yeast *Saccharomyces cerevisiae*) 500 mg, carob extract 450 mg, bladderwrack extract 150 mg (iodine 225 µg – 150% NRV).

**ADVANTAGES**

- + Reduce appetite, especially sugar & carb cravings,
- + reduce calorie intake,
- + lose more body fat without losing muscle,
- + stay energised despite increasing your calorie deficit.

**USE:** Recommended daily intake: 1 capsule 30 minutes before breakfast and 1 capsule 30 minutes before dinner with a glass of water.

**PACKAGING:** 20 capsules

# CarbBlock EXTREME

Cuts half the carb calories from your meals

CarbBlock EXTREME is powered by a combination of plant-based carb blockers – aside from the combination of **brown seaweed** and **grape seed extracts**, it also contains a patented **white kidney bean extract** with an extra strong carb-blocking action. As it blocks the digestion of dietary starch, it helps prevent blood sugar spikes and effectively reduce your calorie intake.

**ADVANTAGES**

- + Block 54% of carb-digesting enzymes,
- + reduces waist, hip and thigh circumferences,
- + maintains high energy levels despite cutting calories,
- + 76% of users satisfied with the results!

**USE:** Recommended daily intake: 1 capsule 30 minutes before lunch and 1 capsule 30 minutes before dinner with a glass of water.

**PACKAGING:** 60 capsules

# CiderCleanse EXTREME

Apple cider vinegar in the form of easy-to-swallow capsules

CiderCleanse EXTREME comes in the form of easy-to-swallow capsules. That way, **apple cider vinegar** doesn't irritate your mouth or throat nor does it damage your tooth enamel. It also contains 2 other powerful slimming ingredients: **turmeric** and **ginger**. Their effects have been proven by 2 meta-analyses which have shown that ginger and turmeric extracts greatly promote weight loss and reduce waist circumference. Their slimming effects are additionally boosted by **chromium**, which helps balance blood sugar levels and thus prevent fat storage.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

apple cider vinegar powder with 5-6% acetic acid 1200 mg, turmeric rhizome extract with 95% curcuminoids 100 mg, ginger rhizome extract with 5% gingerols 50 mg, white pepper fruit extract with 10% piperine 50 mg, chromium 120 µg – 300% NRV.

## ADVANTAGES

- + Apple cider vinegar in the form of easy-to-swallow capsules,
- + helps eliminate fat from the liver,
- + removes toxins from the gut,
- + promotes excess weight reduction.

**USE:** Recommended daily intake: 1 capsule 2 times a day, taken with a glass of water after a meal.

**PACKAGING:** 60 capsules

# Slimmiccino

Turn your morning coffee into a weight-loss routine

Slimmiccino is the superman of cappuccinos with 4-in-1 action for effective weight loss and a kick of energy! **Garcinia cambogia** to suppress appetite and inhibit new fat formation. **Green coffee** beans, unroasted for high chlorogenic acid content. **Guarana seeds** for a metabolism push and boosted fat burning. Beneficial soluble fibre from the patented Orafit formula. **Instant coffee** for mental sharpness and a boost of energy.

## ACTIVE INGREDIENTS IN 1 SACHET:

instant coffee powder with 3-5% caffeine 1500 mg, Orafit® HSI [chicory inulin with 88% soluble dietary fiber] 1300 mg, garcinia fruit extract with 60% hydroxycitric acid 500 mg, green coffee bean extract with 50% chlorogenic acid and max. 2% caffeine 400 mg, guarana seed extract with 10% caffeine 400 mg.

## ADVANTAGES

- + Awakens your mind and metabolism,
- + boosts fat burning & suppresses additional fat storage,
- + reduces cravings,
- + sugar-free, no artificial flavours, yet delicious and creamy.

**USE:** Recommended daily intake: 1 sachet dissolved in 100 ml of hot water. Drink it during the morning.

**PACKAGING:** 10 sachets

# MCT Coconut Drink

The highly-concentrated MCT oil from freshly picked coconuts

**MCTs (short for medium chain triglycerides)** are smaller fats compared to the majority of fats we usually eat (long-chain triglycerides), allowing for faster digestion and absorption. Study shows that people who consumed MCTs instead of olive oil lost 2.2x more weight. MCT Coconut Drink was created to help indulge in a creamy **coconut-tasting drink**, offering you at the same time the fat-burning and energy-elevating benefits, coupled with appetite curbing.

**ACTIVE INGREDIENTS IN 1 SACHET:**

coconut oil medium chain triglycerides 7500 mg, vitamin C 160 mg – 200% NRV, magnesium 150 mg – 40% NRV, pineapple fruit juice concentrate powder, green mate leaf extract with 20% caffeine 400 mg, natural pineapple flavor, natural coconut milk flavor.

**ADVANTAGES**

- + Highly-concentrated 75% MCT powder,
- + supports weight loss, increases fat burning,
- + helps stabilize appetite,
- + delicious natural coconut taste,
- + with highly absorbable magnesium and vitamin C.

**USE:** Recommended daily intake: is 1 sachet, dissolve in 250 ml of water. Drink it during the morning.

**PACKAGING:** 10 sachets

# Quick Detox

Powerful natural and quick toxin flush

The strongest **milk thistle extract** on the market joined with 3 other best researched ingredients – **artichoke**, **vitamin E** and **black pepper**. Milk thistle is synonymous with good liver health and detox. Unfortunately, it has poor intestinal absorption and low bioavailability. Quick Detox uses advanced technology – coating the milk thistle active ingredient silybin in an oil-like droplet. This increases its bioavailability by 10 times compared to an ordinary milk thistle extract.

**ACTIVE INGREDIENTS IN 2 CAPSULES:**

artichoke leaves extract with 2,5% cynarin 700 mg, silybin-phosphatidylcholine complex with 29-37% silybin 160 mg, vitamin E 48 mg – 400% NRV, black pepper fruit extract with 95% piperine 10 mg.

**ADVANTAGES**

- + 3-fold action: weight loss, full body detox and improved digestion,
- + helps with getting a slimmer waist, more energy and improving general wellbeing,
- + extra protection of your cells against toxins,
- + 10-times stronger patented milk thistle extract.

**USE:** Recommended daily intake: 1 capsule in the morning and 1 capsule in the evening with a glass of water after a meal.

**PACKAGING:** 30 capsules

# Sleep & Slim TEA

Good night slimming tea

## ACTIVE INGREDIENTS:

orange peel 30%, peppermint leaves 25%, lemongrass 20%, lemon balm leaves 20%, hop cones 5%.

## ADVANTAGES

- + Easy to take – just replace your regular cup of tea,
- + calms your body and mind,
- + aiding sound sleep necessary during the slimming process.

**USE:** Pour fresh hot water (70-80°C) over the teabag and steep for 5 minutes.

We recommend using one teabag for each cup.

**PACKAGING:** 20 teabags

# Live & Slim TEA

Good morning slimming tea

## ACTIVE INGREDIENTS:

pu-erh tea 30%, lucerne herb 25%, burdock root 20%, sweet fennel fruit 15%, elderberries 10%.

## ADVANTAGES

- + Easy to take – just replace your regular cup of tea,
- + effectively cleansing the body of toxins,
- + supporting fat burning.

**USE:** Pour fresh hot water (70-80°C) over the teabag and steep for 5 minutes.

We recommend using one teabag for each cup.

**PACKAGING:** 20 teabags

# Cleanse TEA

Special cleansing herbal tea

Cleanse Tea is offering you a 20-day detox based on plants that have been known for centuries as top purifying remedies, supporting your main detoxifying organs: your liver, your kidneys and your intestines. A gentle herbal blend of **milk thistle**, **green tea**, **burdock root** and **dandelion** - traditionally used as diuretics and as a liver function support.

## ACTIVE INGREDIENTS:

milk thistle fruit 40%, green tea leaves 30%, burdock root 15%, dandelion root 15%.

## ADVANTAGES

- + Empower your body, be at your best,
- + delete consequences of an unhealthy lifestyle,
- + based on the concepts of holistic detox and slimming: getting rid of your body's toxic waste.

**USE:** Pour fresh hot water (70-80°C) over the teabag and steep for 10-15 minutes.

We recommend using one teabag per cup.

**PACKAGING:** 20 teabags

# WaterOut SHOTS

The on the go natural diuretic shots

WaterOut SHOTS are a powerful natural diuretic designed to reduce water weight fast - now available in the form of shots! Contains carefully chosen natural ingredients that reduce water weight. **Horsetail** protects the liver against harmful toxins and improves liver function. **Hibiscus** is a natural diuretic that helps reduce water retention, supports a healthy digestive tract, and contributes to physical wellbeing. **Pineapple** is one of the most popular aids for supporting the digestion of protein due to its proteolytic effects. **Lemon** - along with the pineapple, it gives that refreshing feeling.

## ADVANTAGES

- + Supercharge your water weight loss and look visibly slimmer in no time,
- + decrease bloating by eliminating excess water and promoting optimal digestion,
- + detoxify your liver and body and feel good in your skin,
- + no added sugar and only 4.3 kcal/shot.

## ACTIVE INGREDIENTS IN 1 VIAL:

horsetail aerial part extract 400 mg,  
hibiscus flower extract with 10%  
total polyphenols 200 mg, pineapple  
stem extract 48 mg, lemon fruit  
extract 48 mg, lemon flavor.

**USE:** Recommended daily intake: 1 vial, taken after a meal.

**PACKAGING:** 10 vials

# FatBurn 2000

2000 mg of pure L-carnitine in one shot

FatBurn 2000 shots contain only all-natural extremely powerful ingredients for effective fat burning and are always ready to use. Each ampoule contains 2000 mg of **L-carnitine** as well as extracts from **green tea** and **garcinia cambogia**, which have a strong and long-lasting thermogenic effect. L-carnitine stimulates the body to use its own fat deposits as a primary source of energy. Green tea promotes fat burning. Garcinia cambogia helps you easily curb your cravings for sweet and fatty foods and reduce your calorie intake.

## INGREDIENTS IN 1 VIAL:

L- carnitine 2000 mg, green tea leaf extract 500 mg, garcinia fruit extract 500 mg, red fruits flavor.

## ADVANTAGES

- + 3-in-1 slimming effect,
- + 3 best slimming ingredients,
- + now available in a practical form of shot,
- + promotes fat burning even when you don't exercise.

**USE:** Recommended daily intake: 1 vial, taken after a meal.

**PACKAGING:** 10 vials

# L-carnitine Pure 500

Fat burning capsules for better results

L-Carnitine Pure 500 boosts the results of your workouts and supports weight loss. With intense training, this means faster regeneration and more defined muscles. Capsules contain the purest **L-carnitine** - the patented Swiss-made **Carnipure®**. They also contain **guarana extract** with a thermogenic effect for burning more fat and boosting metabolism.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

Carnipure® [L-carnitine L-tartrate]  
736 mg (L-carnitine 500 mg),  
guarana seed extract  
with 10% caffeine 440 mg.

## ADVANTAGES

- + Burn more fat even during rest,
- + speed up your metabolism,
- + reduce feelings of tiredness and fatigue,
- + improve endurance,
- + results whether you work out or not.

**USE:** Recommended intake: 2 capsules, taken with a glass of water after a meal.

**PACKAGING:** 60 capsules

# L-carnitine Pure 1000

Shape and tone your body with less effort

L-carnitine Pure 1000 shots contain **Carnipure®** - premium quality **L-Carnitine** manufactured in Switzerland. This is the purest L-carnitine on the market and it's been proven to be safe and effective by over 8,000 studies. Studies show that it boosts energy levels, encourages the body to use fat reserves for energy, decreases muscle fatigue after physical activity.

**ACTIVE INGREDIENTS IN 1 VIAL:**

Carnipure® [L-carnitine 1000 mg],  
lemon flavor.

**ADVANTAGES**

- + Better results with less intense exercise,
- + lemon-flavoured, caffeine-free and only 8 kcal per shot,
- + perfect for everyone that dislikes powders or capsules, convenient for on the go.

**USE:** Recommended daily intake: 1 vial, preferably in the morning.

**PACKAGING:** 10 vials

# Fat Burning LOTION

Anti-cellulite lotion with clinically proven efficacy

Fat Burning LOTION was created with one single mission in mind: to target fat cells and reduce their size in order to eliminate the orange-peel look. With **plant-based ingredients** it provides protection to the skin, rendering it smooth and supple. With the clinically researched patented ingredient **SymFit 1617** (Trimethylcyclohexyl Butylcarbamate) it offers a triple anti-cellulite action, addressing the root cause of this esthetic problem.

**INGREDIENTS:**

Aqua, Olea Europaea Fruit Oil, Glycerin, Cetearyl Alcohol, Prunus Amygdalus Dulcis Oil, Butyrospermum Parkii Butter, Caprylic/Capric Triglyceride, Glyceryl Citrate/Lactate/Linoleate/ Oleate, Carbomer, Calendula Officinalis Flower Extract, Helianthus Annuus Seed Oil, Dehydroacetic Acid, Benzyl Alcohol, Trimethylcyclohexyl Butylcarbamate, Tocopherol, Parfum, Sodium Hydroxide.

**ADVANTAGES**

- + triple anti-cellulite action: reduces formation of new fat cells, blocks fat accumulation in fat cells, increases fat burning,
- + significantly diminishes the appearance of cellulite,
- + clinically proven effects,
- + light texture and pleasant smell.

**USE:** Apply the lotion evenly over the critical areas of your skin (thighs, buttocks, abdomen) and massage in a circular motion. Use twice daily.

**PACKAGING:** 150 ml

# Ginkgo forte

Improves memory and preserves cognitive function

Ginkgo forte contains 3 products in 1! **Ginkgo biloba** improves circulation by dilating blood vessels and reducing blood viscosity. It is also an antioxidant. For those reasons, it may improve vein and eye health as well as protect memory in older adults. With added highly concentrated and ultra-stable **DHA (omega 3)** that is most abundant in the brain and eye. **Vitamin E** and **B6** that contribute to the protection and normal functioning of the nervous system.

## ACTIVE INGREDIENTS IN 1 CAPSULE:

OMEGAVIE® DHA 70 TG Qualitysilver®  
Ice [fish oil (triglyceride form) with  
250.56 mg DHA], ginkgo leaves extract  
with 24% flavonoids 80 mg, vitamin E  
6 mg - 50% NRV, vitamin B6 1.4 mg -  
100% NRV.

## ADVANTAGES

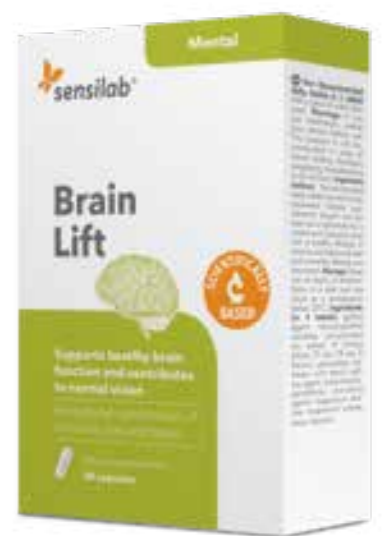

- + Packs 3 products in 1 (Ginkgo biloba, Omega 3 (DHA) and vitamins (E and B6),
- + contains highly concentrated and ultra-stable DHA in triglyceride form,
- + supports cognitive systems and performance,
- + helps maintain memory and clarity in ageing individuals,
- + assists in the symptomatic treatment of mild to moderate cerebrovascular insufficiency.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.

**PACKAGING:** 30 soft capsules

# Brain Lift

Supports healthy brain function and contributes to normal vision

Brain Lift combines natural indigents that act as **brain nutrients** supporting focus and overall cognitive health. The key ingredient is citicoline - a nootropic compound naturally found in the brain. It increases brain energy utilization, psycho-motor speed (typing), focus and attention span. With added **lutein** and **zinc**, both of which are vital for maintaining good eye health.

## ADVANTAGES

- + Contributes to brain energy utilization,
- + promotes psycho-motor speed (typing),
- + increases focus and attention span,
- + contributes to normal vision and maintains good eye health.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

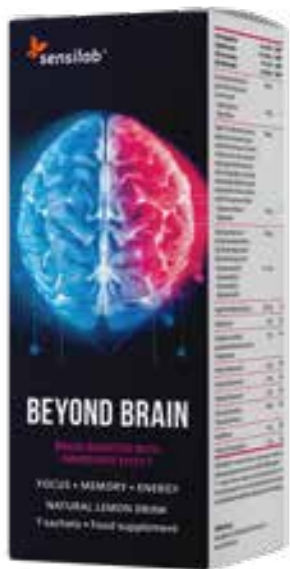

citicoline 250 mg,  
zinc 5 mg - 500% NRV,  
lutein 15 mg.

**USE:** Recommended daily intake: 1 capsule 2 times a day, taken with a glass of water after a meal.

**PACKAGING:** 60 capsules

# Beyond Brain

Brain booster with immediate effect

Beyond Brain is an innovative, **3-in-1 nootropic** - a brain boosting solution: 1. it increases blood circulation through the brain providing sufficient nutrient and oxygen supply (**ginseng**); 2. provides a fresh energy boost and supports the flow of information (**sage** and **caffeine**); 3. provides a calming effect and increase cognitive abilities in stressful situations (**ginseng**).

**ACTIVE INGREDIENTS IN 1 SACHET:**

magnesium citrate (magnesium 187,5 mg – 50% NRV\*), guarana extract with 10% caffeine 800 mg (caffeine 80 mg), Cognivia™ 600 mg (polyphenols 219 mg), siberian ginseng extract with 0,8-2% eleutherosides (B+E) 300 mg (eleutherosides (B+E) 2,4 – 6 mg), B-complex premix [niacin 16 mg – 100% NRV; pantothenic acid 6 mg – 100% NRV; biotin 50 µg – 100% NRV; B12 2,5 µg – 100% NRV; B6 1,4 mg – 100% NRV; B2 1,4 mg – 100% NRV; B1 1,1 mg – 100% NRV; folic acid 200 µg – 100% NRV].

**ADVANTAGES**

- + Immediate alertness-increasing effect,
- + prolonged effect: 6 hours of elevated alertness,
- + increase in cognitive performance,
- + increase in long-term memory.

**USE:** Recommended daily intake: 1 sachet. Dissolve it by stirring vigorously in 250 ml of water.

**PACKAGING:** 7 sachets

# Clear Mind

Enhances memory and cognitive functions

Clearmind delivers a mix of 11 active ingredients designed to improve cognitive and emotional functioning. It improves blood circulation leading to better brain function and reduces the harm caused by everyday stress. **L-carnosine** is considered to be an endogenous neuroprotective and anti-aging substance. Together with **phosphatidylserine (PS)**, **vitamins B-complex** and **ginseng** Clear Mind represents the holistic protection for our brain.

**ADVANTAGES**

- + Improves blood circulation and supplies important
- + nutrients for optimal brain function,
- + has a positive effect on concentration and mental focus,
- + promotes steady mental performance,
- + reduces fatigue and brain fog,
- + contributes to normal functioning of the nervous system.

**ACTIVE INGREDIENTS IN 1 CAPSULE:**

L-carnosine 200 mg, soybean-derived phospholipid powder enriched in phosphatidylserine 145 mg, ginseng root extract with 6-7,5% ginsenoside Rg1 100 mg, B-complex premix (niacin 16 mg – 100% NRV, pantothenic acid 6 mg – 100% NRV, vitamin B2 1.4 mg – 100% NRV, vitamin B6 1.4 mg – 100% NRV, vitamin B1 1.1 mg – 100% NRV, folic acid 200 µg – 100% NRV, biotin 50 µg – 100% NRV, vitamin B12 2.5 µg – 100% NRV).

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water one hour before sleep.

**PACKAGING:** 30 capsules

# ImunoBoost

24/7 full immune system support

In order to effectively support our immune system we have to reinforce it at 3 levels: the first-defense barriers (skin, mucus membranes), main player: **vitamin C**. The fast-acting innate immunity (the first immune cells), main player: **selenium**. The slow-acting but extremely target-oriented acquired immunity (based on antibodies), main player: **zinc**. ImunoBoost sustains all the 3 main branches of the immune system needed to effectively protect our body from infections and cope easier with them.

#### ACTIVE INGREDIENTS IN 2 CAPSULES:

Ester-C® (vitamin C 320 mg - 400% NRV), zinc 10 mg - 100% NRV, selenium 110 µg - 200% NRV.

#### ADVANTAGES

- + 3 in 1 boosting of the immune system: superior form of vitamin C + zinc + selenium,
- + 24/7 immune protection,
- + 300% better availability of the patented vitamin C (Ester-C®) to microbe-fighting white blood cells,
- + supporting the production of antibodies, our special forces against microbes.

**USE:** Recommended daily intake: 1-2 capsules, taken with a glass of water after a meal.

**PACKAGING:** 20 capsules

# ImunoStar Strong

Strengthens your immune system & shortens the recovery

ImunoStar Strong is a unique product with 24 ingredients for the best immune response, that can immediately help you feel better.

**Amino acids** boost and support our immune system. **Vitamins C, B2, B6**, and **folate**, as well as minerals **zinc** and **selenium**, contribute to the functioning of the immune system. **Vitamin E** contributes to the protection of cells from oxidative stress. **Vitamin B6** contributes to the energy-yielding metabolism. Minerals **magnesium** and **selenium**, **vitamins B6, C**, and **folate** contribute to reducing tiredness and fatigue.

#### ADVANTAGES

- + Immediate action,
- + 13 vitamins, 7 amino acids and 4 minerals with high absorption,
- + reduces reoccurring esophagus and throat infections,
- + recommended during the time of viruses,
- + the perfect aid at the first signs of a cold,
- + great as prevention during a breakout of respiratory infections.

#### ACTIVE INGREDIENTS IN 1 SACHET:

- + dissolves immediately,
- + creates a liquid solution that body absorbs quickly.

**USE:** Recommended daily intake: 1 effervescent.

**PACKAGING:** 20 or 40 effervescent tablets

# Vitamin C 1000 mg

Not every Vitamin C is the BEST Vitamin C

The Nutrient Reference Value (NRV) typically refers to the amount of a nutrient required daily to avoid deficiency. But more and more scientist acknowledge our requirements for optimal health are higher than the standard NRVs. In many studies, they use higher amounts of vitamin C to achieve the desired results. That's why we followed what science says and used **1000 mg of vitamin C** in this product to really ensure the strongest immune support!

**ACTIVE INGREDIENTS IN 1 SACHET:**  
Ester-C® [calcium L-ascorbate] 1350 mg  
with Vitamin C 1000 mg - 1250% NRV.

## ADVANTAGES

- + With Ester-C® - the BEST form of Vitamin C,
- + super strong (1000 mg),  
24 hour immune support,
- + more than 300% better availability of the patented vitamin C (Ester-C®),
- + non-acidic and gentle on the stomach.

**USE:** Recommended daily intake: 1 sachet, dissolved in a glass of water after a meal.

**PACKAGING:** 15 sachets

# AVENOBO Curcuma forte

Curcuma in patented micellar form  
providing supreme bioavailability

**Curcuma** or **turmeric** is known as the king of spices in Ayurvedic medicine. Its main chemical component, **curcumin**, helps cleanse the liver, purify the blood, improves digestion and elimination. It stimulates bile production in the gallbladder, scavenges free radicals, and speeds up the liver detoxification process. Now with added **ginger** that acts as a antioxidant and provides anti-inflammatory properties.

## ACTIVE INGREDIENTS IN 2 CAPSULES:

NovaSOL® Curcumin [curcuma longa rhizomes extract with 6% curcuminoids]  
1000 mg, ginger extract with 240 mg/g gingerols 100 mg.

## ADVANTAGES

- + Patented ingredient, NovaSOL® Curcumin, in micellar form,
- + 185x more bioavailable than native curcumin,
- + beneficial for liver health and digestion,
- + with added ginger.

**USE:** Recommended daily intake: 1-2 capsules with a glass of water after a meal.

**PACKAGING:** 30 capsules

# AVENOBO Bluemag

Magnesium with the best bioavailability  
and added blueberry extract

Bluemag offers an innovative combination of magnesium with the best bioavailability and natural blueberry extract that meets your specific needs every day. **Magnesium** prevents muscle spasms, contributes to the normal functioning of muscles and maintains healthy bones and teeth. **Natural blueberry extract** in Bluemag is obtained by a special membrane filtration process, in which no chemical substances are added. The final concentrate thus remains completely natural and maintains the complete nutritional composition of the fruit.

## ADVANTAGES

- + Excellent bioavailability - up to 90%,
- + helps against fatigue and exhaustion,
- + improves your focus, memory and focus,
- + prevents muscle cramps,
- + contains 500 mg of natural blueberry extract to protect the stomach and small intestine.

## ACTIVE INGREDIENTS IN 1 SACHET:

bilberry juice concentrate powder  
with 0,6% anthocyanins and  
2,4% total polyphenols 500 mg,  
magnesium 300 mg - 80% NRV.

**USE:** Recommended daily intake: 1 sachet dissolved in a glass of water after a meal.

Physically active people can increase the dose to 2 bags per day.

**PACKAGING:** 15 sachets

# AVENOBO Vitamin C

First intelligent Vitamin C

Recent scientific insights show that precision released nutritional supplements accurately deliver active ingredients to the part of the body where it has to be absorbed, the stomach or the colon, for example. AVENOBO's Terra Intelligent Dosing system ensures our vitamin C is released over 12 hours to support your health for whatever you want to accomplish. 350 mg of pure **vitamin C** that is released in 12-hours!

**ACTIVE INGREDIENT IN 1 CAPSULE:**  
VITAMIN C 350 MG – 437.5 NRV.

**ADVANTAGES**

- + Covers daily need for vitamin C,
- + supports immune system,
- + unique dosing system with 12-hours release,
- + vitamin C is released exactly when and where your body needs it.

- + a unique capsule-in-capsule delivery system for maximum stability and efficiency,
- + smart, clean and effective whole-body support.

**USE:** Recommended daily intake: 1 capsule, taken with a glass of water after a meal.  
**PACKAGING:** 30 capsules

# Prenatal gummies

Tasty gummies for women's prenatal health

Prenatal gummies contain all the essential **vitamins & minerals** for a woman's body before and during the first months of pregnancy. They don't contain any gelatine, artificial flavourings or food dyes. Instead, we opted for **pectin**, a natural polysaccharide found in berries, apples and other fruit, natural food coloring and flavoring so they provide a healthier choice compared to regular gummies.

## ACTIVE INGREDIENTS IN 1 GUMMY:

vitamin C 30 mg – 37.5% NRV,  
vitamin E 10.05 mg – 83.8% NRV,  
niacin 10 mg – 62.5% NRV,  
vitamin B6 1,25 mg – 89.3 % NRV,  
zinc 1 mg – 10% NRV,  
iron 1 mg – 7.1% NRV,  
vitamin A 2000 IU – 75% NRV,  
folic acid 400 µg – 200% NRV,  
biotin 40 µg – 80% NRV, choline 20 µg,  
vitamin D 400 IU – 200% NRV,  
vitamin B12 4 µg – 160% NRV.

## ADVANTAGES

- + Essential vitamins & minerals for women's prenatal health,
- + only 1 gummy a day,
- + no gelatine - contains pectin as a gelling agent,
- + suitable for vegetarians,
- + with natural strawberry flavor.

**USE:** Recommended daily intake: 1 gummy.

**PACKAGING:** 60 gummies

# Beauty gummies

Tasty gummies for shiny hair and strong nails

Beauty gummies combine **biotin, antioxidants, vitamins**, and caffeine. With only 2 gummies a day they provide it all – from supporting collagen production to maintaining a shiny head of hair. No artificial flavourings or food dyes and just 7.5 calories per gummy bear for a fresh and youthful look.

## ACTIVE INGREDIENTS IN 2 GUMMIES:

zinc 2 mg – 20% NRV,  
vitamin C 30 mg – 38% NRV,  
vitamin E 11.4 mg – 95% NRV,  
pantothenic acid 5.6 mg – 93% NRV,  
niacina 3 mg – 19% NRV,  
vitamin B6 1 mg – 71% NRV,  
vitamin A 600 µg – 75% NRV,  
folic acid 280 µg – 140% NRV,  
biotin 66 µg – 132% NRV,  
vitamin D3 10 µg – 200% NRV,  
vitamin B12 4.4 µg – 176% NRV,  
iodine 40 µg – 27% NRV,  
inositol 20 µg, choline 20 µg.

## ADVANTAGES

- + Strengthen the nails and make the hair grow fuller & thicker,
- + provides a boost of energy,
- + no gelatine - contains pectin as a gelling agent,
- + suitable for vegetarians,
- + with natural strawberry flavor.

**PACKAGING:** 60 gummies

# Iron gummies

Tasty gummies for blood health

Iron gummies deliver essential vitamins and minerals for healthy blood. Adding **vitamin C** to iron gummies increases **iron absorption** by up to 3-times. While **folic acid** and **vitamin B12** contribute to normal red blood cell formation, support the functioning of the immune system and reduce tiredness and fatigue related to low red blood count and anemia.

## ACTIVE INGREDIENTS IN 3 GUMMIES:

vitamin C 60 mg – 75% NRV, iron 15 mg – 107.1% NRV, folic acid 150 µg – 75% NRV, vitamin B12 3 µg – 120% NRV.

## ADVANTAGES

- + Unique combination – iron, vitamin C, folic acid and vitamin B12,
- + promotes iron absorption and red blood cell formation,
- + no gelatine - contains pectin as a gelling agent,
- + suitable for vegetarians,
- + with natural grape flavor.

**USE:** Recommended daily intake: up to 3 gummies daily.

**PACKAGING:** 60 gummies

# Prenatal Omega 3 Fishes

Omega-3 for growing baby and healthy pregnancy

**Omega-3s** play an important role in brain and eye development both during pregnancy and in the first months of life. But during pregnancy, just swallowing a large softgel with a fishy smell can make the experience of taking these essential omega-3 fatty acids especially difficult. So if you do not like fish, choose not to eat them or have trouble taking fish oil supplements, **Prenatal Omega 3 Fishes** is the perfect solution for you!

## ACTIVE INGREDIENTS IN 2 UNITS:

fish oil (DHA 252 mg, EPA 48 mg).

## ADVANTAGES

- + No fishy taste or smell,
- + high in omega-3,
- + sugar-free - sweetened with maltitol,
- + no artificial preservatives,
- + colouring or flavouring.

**USE:** 2 fish shaped units daily.

**PACKAGING:** 20 fish shaped units

# Zori Omega 3 choco fishes

Omega-3 rich chocolates

**Omega-3** are unsaturated fatty acids and are extremely important for our health. We developed omega-3 rich chocolates - a tasty alternative to traditional supplement forms. We especially recommend Zori Omega-3 Choco fishes: as an endorsement of child's daily diet, for a child's brain function, overall growth and development, for the normal functioning of the immune system and for children whose diet is poor in fish.

## ACTIVE INGREDIENTS IN 1 UNIT:

omega 3 fatty acids 150 g - with EPA 90 mg, DHA 60 mg.

## ADVANTAGES

- + For child's normal growth and development,
- + DHA is considered the most important omega-3 for the growing brain while,
- + EPA is considered vital for immune system health,
- + omega-3 also help reduce inflammation.

**USE:** Recommended daily intake: Children from 4. years of age: 1 fish shaped units daily. Adults: 2 fish shaped units daily.

**PACKAGING:** 30 fish shaped chocolates

# Zori Multivitamin gummies

Tasty gummies for proper growth & development

Multivitamin gummies are a **healthier choice** than other gummies because we used pectin as a gelling agent. Pectin is a naturally occurring substance (a polysaccharide) found in berries, apples and other fruit. We also used natural food coloring (black carrot) and flavoring (strawberry). In a form of delicious strawberry flavoured gummies that children will love. Suitable for children from age 4 and above.

## ACTIVE INGREDIENTS IN 2 GUMMIES:

zinc 2 mg - 20% NRV, vitamin C 30 mg - 38% NRV, vitamin E 11.4 mg - 95% NRV, pantothenic acid 5.6 mg - 93% NRV, niacina 3 mg - 19% NRV, vitamin B6 1 mg - 71% NRV, vitamin A 600 µg - 75% NRV, folic acid 280 µg - 140% NRV, biotin 66 µg - 132% NRV, vitamin D3 10 µg - 200% NRV, vitamin B12 4.4 µg - 176% NRV, iodine 40 µg - 27% NRV, inositol 20 µg, choline 20 µg.

## ADVANTAGES

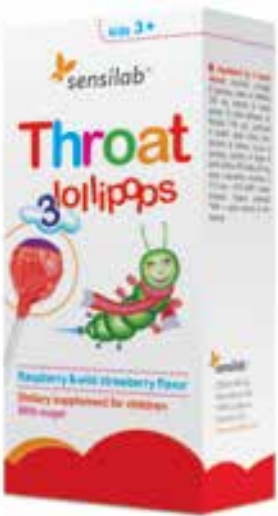

- + Contain pectin as a gelling agent and not gelatine,
- + suitable for vegetarians,
- + contain the right combination of vitamins and minerals that are for your child's growth,
- + contain choline and inositol that support the immune system,
- + especially recommended for all children that may have a vitamin deficiency.

**USE:** Recommended daily intake: Children from 4 years of age: 1 gummy daily. Children from 6 years of age: 1-2 gummies daily.

**PACKAGING:** 60 gummies

# Throat lollipops

# Symbiotic+ kids

Combination of probiotics & a prebiotic for a healthy intestinal flora

**Probiotics** are live bacteria that help maintain a normal balance of microflora. The normal human digestive tract contains about 400 types of probiotics that reduce the growth of harmful bacteria and promote a healthy digestive system. The largest group of probiotics in the intestine is lactic acid bacteria. Symbiotic+ kids is a combination of *Saccharomyces boulardii*, *Lactobacillus rhamnosus* GG, and inulin that has a beneficial effect on digestion and helps maintain a healthy intestinal flora. Suitable for children from age 3 and above.

## ACTIVE INGREDIENTS IN 1 SACHET:

live lyophilized bacteria cells of the *Lactobacillus rhamnosus* GG strain  
 $3 \times 10^9$  CFU, live lyophilized yeast cells of the *Saccharomyces boulardii* strain  
 $1.25 \times 10^9$  CFU, inulin 25 mg.

## ADVANTAGES

- + Aids in the restoration of beneficial intestinal flora during or after treatment with antibiotics,
- + helps manage intolerance to certain nutrients such as lactose,
- + helps in cases of adverse reactions to certain foods (skin rash, diarrhea),
- + beneficial for children with functional disorders (diarrhea, constipation, flatulence, irritable bowel syndrome).

**USE:** Recommended daily intake: for children: 1 sachet, dissolved in a glass of water, best during a meal;  
 for adults: 1-2 sachets, dissolved in a glass of water, best during a meal.

**PACKAGING:** 10 sachets
